

Lights Out, Texas!

DFW BUILDING CHALLENGE

FALL 2025

*Join Reunion Tower in turning off lights to
protect migratory birds*

► The Challenge

Participants pledge to:

- ✓ Reduce 75% of non-essential lighting during migration periods
- ✓ Share the Lights Out message with employees, tenants, and networks.

► Eligible Participants

Cities, counties, government offices, schools, public buildings, and commercial properties in the North Texas region.

► Key Migration Periods

Select the level of participation

🏆 Migration Guardian – Full 8-week commitment (Sept. 5 – Oct. 29)

Protects the full spectrum of migrants, from early species like Hummingbirds, Orioles, and Buntings to later migrants.

🏆 Wildlife Steward – Minimum 4-week commitment during DFW peak migration (Sept. 24 – Oct. 29)

Covers the regional core peak migration, when large numbers of Warblers, Thrushes, and Sparrows are moving through.

🏆 Keen Observer – Less than 4 weeks during migration
